

To: ALL OUR MEMBERS

Dear Sir,

REG: modernization of our (ICF) testing lab

Our President has initiated to buy Latest Trash analyser which can test 50/100 gm trash in one stroke ,of Techno sales MFRS ,cbe has been installed on 20.06.2025 at our laboratory .This will be beneficial to cotton community and members in particular.

Pls do send few sample every month for testing to support our cotton testing laboratory. We could complete our new Gks cotton chambers a long felt dream with members support. A helping hand will go a long way. at your service.

Thanking you

Your Faithfully

Nishant Asher
Honorary Secretary
